

## See what our customers have to say about us

Working with the team at Onsite has been an excellent experience for our team. They are expert, helpful and always responsive.

**Doug S. – CEO Pharmasave Ontario**

Onsite has provided us with hardware and software replacements and upgrades, we recommend them highly.

**Rob G. – President OSSTF D24**

Super friendly service and great to work with especially if you have multiple contractor's on-site.

**David S. – ASUS**

We would recommend using OnSite to anyone seeking assistance with their IT

**John W. – Whitney RE**

Just a quick email to say how happy Baseline is with the service On-Site has provided, both in the ongoing maintenance of our servers and computers.

**Simon M. – Baseline Constructors**
